

Documentation change list - 8.1.7

This page lists all pages in the current documentation set that have been modified or added between **CAST AIP 8.1.6** and **8.1.7**.

Information is listed as follows:

- New behaviour in 8.1.7
- Existing behaviour newly documented in 8.1.7
- Miscellaneous

It does not include pages that were modified to correct layout or spelling problems.

New behaviour in 8.1.7
